2013

CAPITAL BUDGET AND CAPITAL IMPROVEMENT PROGRAM

This section is included with the Annual Budget pursuant to N.J.S.C. 5:30-4. It does not in itself confer any authorization to raise or expend funds. Rather it is a document used as part of the local unit's planning and management program. Specific authorization to expend funds for purposes described in this section must be granted elsewhere, by a separate bond ordinance, by inclusion of a line item in the Capital Improvement Section of this budget, by an ordinance taking the money from the Capital Improvement Fund, or other lawful means.

CAPITAL BUDGET

- A plan for all capital expenditures for the current fiscal year.

If no Capital Budget is included, check the reason why:

- ☐ Total capital expenditures this year do not exceed \$25,000, including appropriations for Capital Improvement Fund, Capital Line Items and Down Payments on Improvements.
- ☐ No bond ordinances are planned this year.

CAPITAL IMPROVEMENT PROGRAM

- A multi-year list of planned capital projects, including the current year.

Check appropriate box for number of years covered, including current year:

- ☐ 3 years. (Population under 10,000)
- ☒ 6 years. (Over 10,000 and all county governments)
- ☐ ____ years. (Exceeding minimum time period)

- ☐ Check if municipality is under 10,000, has not expended more than \$25,000 annually for capital purposes in immediately previous three years, and is not adopting CIP.

NARRATIVE FOR CAPITAL IMPROVEMENT PROGRAM

The Mayor and Township Committee in presenting this Capital Improvement Program, is desirous of informing the residents and the taxpayers of the Township of its projected needs for the next six years. Serious consideration and deliberation was given prior to the insertion of several items listed within. The Capital Improvement Program is flexible in that it may be amended at anytime to increased or decreased amounts and add or delete items by resolution of the Governing Body.
